A MESSAGE FROM PASTOR MARY ROBINSON-MOHR

Susannah rolled out of bed at 7 a.m. on a school day recently. "Why is it so dark outside?" she asked, rubbing her eyes and staring out a window. A good question for December and January!

This is definitely the dark time of the year. Almost everyone has commented on it in different meetings and studies this week. People drive to work in the dark, and drive home in the dark. Gloomy mornings and afternoons have everyone dragging a bit more than usual, longing for light and sunshine.

Our Scriptures occasionally use images of light and darkness. I think of two in particular that are especially meaningful to people with waning hope, to people who need encouragement.

Isaiah 9: 2 proclaims, "*The people who walked in darkness have seen a great light; those who living in a land of deep darkness – on them light has shined.*"

John 1:5 relates, "*The light shines in the darkness, and the darkness did not overcome it.*"

These verses, and many others, can remind us of the spiritual sustenance that we have when life is shadowy, or indistinct. During the gray days of winter, we can remind ourselves of the contrast used by the writers of our Scriptures, and use this teaching image to remember that our hope is based not on some earthly condition, but on heavenly realities. Even in the midst of gloom, we have a "light" that comes from God.

In addition to that, we can look for the beauty of these dark days! Christmas lights need long evenings to show off their soft yet beautiful light. Stars need darkness to show us their brilliance and wonder. Cold temperatures draw us indoors, to cozy cups of cocoa, and the warmth of friends. It is a time to relish snugly comforters and cushy slippers. This is the perfect season for planning gardens, sorting closets, and getting organized in general. Most of all, it is the season to remember that in all times and places, we belong to God, and our gracious God goes to great lengths to give us fullness of life, without end.

Thanks be to God!

Grace and Peace,

Pastor Mary

THE SHOWER OF STOLES PROJECT

Sunday, January 16, St. James will participate in the Shower of Stoles Project. 2 dozen stoles will be on display in the church.

“**The Shower of Stoles** is a collection of hundreds of liturgical stoles from gay, lesbian, bisexual and transgender persons from twenty-three denominations in five countries. Each stole contains the story of a GLBT person who is active in the life and leadership of their faith community in some way: minister, elder, deacon, teacher, missionary, musician, administrator or active layperson.

This extraordinary collection celebrates the gifts of GLBT persons who serve God in countless ways, while also lifting up those who have been excluded from service because of their sexual orientation or gender identity.

The collection is displayed in hundreds of locations each year as a witness to the Shower of Stoles mission: **“To end ecclesiastical discrimination against gay, lesbian, bisexual and transgender people of faith.”** ”

Come join us for a new study and fellowship group meeting over doughnuts and coffee. The Christian Education Committee is excited about this new offering, which will meet one Saturday morning each month, from 9 until 10.

The first topic will be "**Truth and Fiction in the DaVinci Code,**" led by Randy Mohr (the talented and handsome spouse of our pastor – this part added by our pastor!). Come to the church for this fascinating conversation on

 See you there!

YOUTH NEWS

BY MEGAN STAMPFLI

Happy New Year! And thank you to everyone who supported our cookie fundraiser last month. This month the youth will be beginning another fundraiser. We will be making and selling sub sandwiches on Super Bowl Sunday. Since the Super Bowl will be the first weekend in February we will be taking orders during January. Ordering a sub only costs five dollars and includes a drink and chips. So, keep an eye out for a sub sandwich form in your bulletin.

Also this month the youth will have a lock in. It will start on Sunday the 16th at 8:00pm and will end on the 17th at 10:30am. On the 9th, 23rd, and 30th we will have youth group from 4:30 to 6:00. And on the 9th and 23rd we will be having Sunday school during church.

Hope you all have a great January!

Church Family News

⇒ From a recent letter from Laura Cheifetz, dated Nov. 15, 2004: "A big thank you [for the monetary gift from St. James]! This will help with everything, especially the Egypt trip. Lately I've been looking forward to the end of classes this semester...and to Egypt and my spring semester... I went to a PC (USA) conference last month in Atlanta (the Racial Ethnic Women's Consultation) to preach at the closing worship... I was invited to preach at next summer's Peacemaking Conference at Ghost Ranch... The Moderator of the PC (USA) came to McCormick for a committee meeting last week, and wanted to hang out with students. Since I'm the Resident Assistant and have a huge apartment, he came over to my place, which he dubbed the Taj Mahal. It was a good conversation – he talked with all of us, and was really honest. All that...to say I'm having fun, enjoying this last year of seminary, and as always, think of you all at St. James often. Love, Laura"

ANNUAL CONGREGATIONAL MEETING

Come to the Annual Meeting of the congregation on

Sunday, January 16

immediately following worship. Business scheduled for this meeting includes review of the Annual Report and review of the terms of the pastor's call for the coming year.

FROM THE STEWARDSHIP COMMITTEE

For a number of years, members and friends of St. James have contributed to a building endowment fund the income of which is used for maintaining and improving the church building. At its November meeting the St. James session voted to create two new endowments. Income from these perpetual funds will support Christian Education and Music programs, as follows:

Christian Education /Youth Endowment Fund

To provide resources and opportunities for education, enrichment and empowerment for persons in the St. James Presbyterian church community on their faith journey.

Music Endowment Fund

For purchase, replacement and maintenance of musical equipment (i.e. handbell tables, mallets). For purchase of reference materials and large musical works (cantatas, scores) for the music library.

To contribute to any of the three endowment funds, simply mark your check or envelope "Christian Education Endowment", "Music Endowment" or "Building Endowment". For more information about giving at St. James including giving through estate planning, contact Treasurer Wendy Crandall at the office (733-1325 extension 22).

WORSHIP TAPES AVAILABLE FOR LOAN.

Our morning worship service is audio-taped each Sunday. If you know of anyone who would like a copy of any recent service, please check one out in the church library.

SUNDAY MORNING PARKING

Four reserved (handicapped) parking spaces are designated in our front, 14th Street parking area. In addition to these designated spaces, we would like to save all of the 14th Street parking on Sunday mornings during the Worship Service for those who need level access and our first-time visitors. If you have no difficulty climbing stairs, please use the lower parking area or the Lowell playground lot. The Lowell lot is accessed off of Taylor between 14th and 15th. There is a stairway down to 14th at the south end of the area.

AN INVITATION TO TAKE A BORDERLINKS TRIP

The Christian Education Committee is arranging a study tour that offers a unique face-to-face opportunity to learn from some of our international neighbors. It is available to us through the BorderLinks program.

The primary focus for BorderLinks is to provide participants with the opportunity to meet and talk with people holding differing perspectives and viewpoints on the wide variety of social, economic, faith and political issues at play in the border region. It is based in Tucson, Arizona, and describes its program this way:

“Although we’ll spend some time in the US, much of the time we will be on the Mexican side of the border. Activities there will include tours of maquiladoras and discussions with factory managers, meetings with workers and families in their communities, and talks with activists and organizers who are working to bring about social change. You may spend one or more nights in a homestay with a family in a Mexican community.”

Interested? Please contact Jan Resick or Renée Meyer through the church office, 733-1325.
